

CURIOSITEA. MENU

We are a vintage tea shop and we love tea! We also love cake, muffins and milkshakes, and we pride ourselves on serving really fantastic coffees too.

At CURIOSITEA we try to offer something for everyone - traybakes, loaf cakes and a huge selection of ethically-sourced teas refresh and invigorate early birds, while caffeine lovers can choose from our menu of speciality flavoured coffees. Or you can happily laze away an afternoon with a big slice of vegan or gluten free cake and an indulgent hot chocolate...

We blend all our fresh fruit juices, smoothies and real ice cream milkshakes to order, and our delicious selection of cupcakes, muffins and brownies are lovingly handmade by carefully selected local suppliers. Our aim is simple - to spread a bit of teatime love and get a great big 'thumbs up' from every customer we meet!
