Hello and welcome

“I want to welcome each and every one of you to Warwick. You are now automatically a member of Warwick Students’ Union – whatever your interests, passions or priorities, we are here for you during your time at university!”

“Warwick Students’ Union is a democratic membership organisation which represents the interests of all 23,000+ students at the University of Warwick. We’re also a registered charity, meaning that all the money generated by our commercial outlets – The Bread Oven, Curiositea, The Dirty Duck, The Terrace Bar, Xananas restaurant and The Copper Rooms nightclub – is directly reinvested back into services which benefit the student body.

Warwick is one of only a handful of SUs in the UK with a full-time Postgraduate Officer, and as such we are committed to making your time here as enjoyable and stress-free as possible – whether that’s by offering extra-curricular activities or providing advice, help and support. Although we receive an annual grant from the University and work closely with it, we are not a part of its formal structure – meaning that we’re able to represent your views at a local, regional and national level.

Take a look through this guide for more info about everything we offer. If there’s any way we can help improve your life as a postgrad during your time here, please don’t hesitate to get in touch!”

ELLIE MARTIN
Sports Officer
sports@warwicksu.com

ELLEN HOLMES
Welfare & Campaigns Officer
welfare@warwicksu.com

Each year, the student body elects seven student officers, who take a year out to represent you and the issues you care about. This year’s Sabbatical Officer team – or ‘Sabbs’, as they’re more commonly known – is shown above.
Getting the most from your degree

We’re here to ensure that all students at Warwick are able to fulfil their academic and personal potential. Whether you’re a taught student or researcher, studying on campus or a distance learner, the SU is the best mechanism for getting your views heard. Together, we can make a difference – sustained lobbying from the SU has previously led to the introduction of national loans for postgraduate students, while our campaign for fairer remuneration for postgraduates who teach helped initiate a full review of PG employment practices at Warwick.

Empowering postgraduates

As the independent voice of Warwick students, we represent your views to your academic department, the University and the government. In addition to campaigning on relevant local and national issues, we’re here to fight for your rights as students, as teachers and as members of the Warwick community.

Academic Representation

The SU is also a great place to get individual support and help. The Postgraduate Officer and Education Officer work closely with the SU Advice Centre on a range of issues including academic appeals and complaints, supervision issues, mitigating circumstances, housing, visa issues and more.

Faculty Reps

Spanning every single University department, Warwick SU has a network of over 700 student Course and Faculty Reps who voice concerns you may have about your degree course, covering areas such as assessment, feedback and academic facilities. We will be electing Postgraduate Faculty Reps for the 2017-18 academic year during Term 1 – look out for more information coming soon. We fundamentally believe that students are partners in education, and our Course Reps demonstrate this throughout the academic year.

Recent SU wins for students have included:

- Securing the opening of a year-round 24-hour library on campus
- Securing a lecture-free Welcome Week from 2018
- Halting a tuition fee rise for current students
- Securing more study space on campus
- Fighting the government’s Higher Education reforms
- Standing up for the rights of postgraduate students who teach
Food and drink

Warwick SU is proud to run some of the tastiest and best-value places to eat and drink on campus. Whether you’re after a tea or coffee between lectures or a slap-up three-course meal, there’s something to suit all price tags and appetites! Vegetarian, vegan and gluten-free options are available in all outlets – just ask a member of staff for details.

Providing an ever-changing selection of hot fillings and weekly specials, The Bread Oven serves freshly-baked baguettes with your choice of fillings from a vast deli, plus delicious made-to-order salad boxes. Drinks, chocolate, crisps, cookies, yoghurts and fresh fruit can then be added to make up a great value Meal Deal!

warwicksu.com/breadoven

Our quirky vintage tea shop is the perfect antidote to soulless high street chains. We try to offer something for everyone, from loose-leaf teas and coffees to cake, crumpets, paninis and milkshakes. All our fresh fruit smoothies are blended to order, while our delicious selection of loaf cakes, muffins and brownies are so good that they’ve won Great Taste Awards!

warwicksu.com/curiositea

All-round student favourite ‘The Duck’ is the SU’s traditional pub. The home of real ale on campus, its warm, friendly atmosphere and hearty food choice makes it the perfect place to meet up with friends and relax. In addition to niche beers, wines, ciders and soft drinks, we serve a variety of tasty pub dishes, as well as hosting regular quiz and karaoke nights!

warwicksu.com/thedirtyduck

Unwind at the end of the day in the SU’s expertly-stocked bar overlooking the Piazza. Our extended ‘Bus Stop’ happy hour brings you the cheapest drinks on campus from 4-9pm during the week, while a range of niche events featuring talented DJs really make the atmosphere come alive in the evenings. Don’t forget to sample our tasty cocktail menu!

warwicksu.com/terracebar

Located in the Students’ Union HQ building, Xananas is the SU’s stylish restaurant. From early morning until late evening, our chefs serve up an imaginative array of breakfasts, meals, seasonal specials, light bites and tempting desserts. There’s also an impressive selection of fine wines, premium beers, fresh coffees and cold drinks.

warwicksu.com/xananas

Not only are we one of the cheapest places to eat on campus, everything spent in our outlets gets directly reinvested back into services which benefit students – meaning that you get so much more for your money here at the SU!

“Throughout the chaos that was my first few years at university, The Bread Oven has been there to provide consistent high quality meals packed into baguettes... you have remained the highlight of my week from start to end of every term – thank you Broven, and may your bread forever be tasty!”
Socialising

We know that, for many postgraduate students, academic work takes precedence over social activities. However, whatever your preferences, we provide plenty of opportunities for socialising on campus – our traditional pub, The Dirty Duck, is a particular favourite among postgraduates, while we also host regular team-ups with the PG Hub.

Our exclusive postgraduate social space, The Graduate, is located in the main SU building, and is a great location to take a break from your studies, relax and unwind. Here you’ll find a **Postgraduate Pub Quiz** every Tuesday during term-time, along with other activities such as regular **Board Game Nights**. Look out too for the **Postgraduate Summer Ball**, plus special PG events during Christmas, Easter and Summer!

Elsewhere, Warwick SU covers everything from big-name DJs and established acts to student bands, theatre, comedy, sport and dance. Whether it’s a club night, live gig or society event, there’s always something interesting going on – while students can also book out the venue to host their own events.

**Regular events**

In addition to society-run events such as Latin Night, Bandsoc’s Battle of the Bands tournament and the annual Real Ale Festival, we host a range of free activities which cater to students from all year groups, regardless of whether or not you drink alcohol. These include...

**CLEVERDUKS PUB QUIZ**
Get your fix of weekly trivia while taking on your fellow students every Thursday during term-time – entry costs just £2 per team.

**PG PUB QUIZ**
On Tuesdays, we also host a regular quiz night exclusively for postgraduates in our PG social space, The Graduate. Look out, too, for regular team-ups with the PG Hub!

**COFFEE HOUSE SESSIONS**
Check out the finest up & coming acoustic talent in a relaxed afternoon setting as Curiositea hosts a selection of musical acts hand-picked by national tastemakers.

**GET FUNKED**
Join Captain Funkwash on his quest to find the perfect groove as he kick-starts your weekend with a jumping selection of hip-hop, funk, soul and breakbeats up in The Terrace Bar.

**MIXOLOGY**
Our classy weekly house music event in The Terrace Bar offers a range of delicious ‘mocktails’ alongside the regular cocktail menu!

**QUACKSTAR KARAOKE**
Voice of an angel or honk of a duck? There’s only one way to find out as we invite you up onto The Dirty Duck stage to warble your favourite hits every Wednesday night!

**THE COPPER ROOMS**
The Copper Rooms is Warwick SU’s nightclub, home to live gigs and some of the best student-friendly events anywhere around. Our club nights include...

**POP!**
A world of guilty pleasures awaits as resident DJ Disco Dave brings the cheese each and every Wednesday.

**SKOOL DAYZ**
Relive the best (and worst!) tunes from your misspent youth downstairs, or enjoy a mix of hip-hop and breakbeats up in Room 2.

**CRASH**
Our twice-terminy salute to the noisier end of the spectrum, featuring the finest contemporary and classic rock, metal, punk, ska and alternative tracks.
Support, friendship, community

Your time at university is about so much more than just your studies. By getting involved with extra-curricular activities, the opportunities for socialising, support and participation are endless!

Start or run a society

We have more societies than any other Students’ Union in the country – however, if there isn’t one that caters to your particular interests, feel free to start your own! Running for a Society Exec position will get you dealing with budgets, organising events and picking up skills you won’t get from just doing your degree.

Creative Warwick

Creative Warwick is a campus-wide celebration of the 250+ student societies at Warwick. Led by Warwick Students’ Union, in partnership with Warwick Arts Centre and the University of Warwick, Creative Warwick showcases all the incredible things our societies get up to. Find out more at warwicksu.com/creativewarwick

Membership fees

Societies are supported and administered by the SU – and, as such, there is a £12 annual charge to join the Societies Federation (£19 for Undergraduates) to help us provide all the funding and infrastructure required.

Once you’ve paid the SU’s Societies Federation membership fee, you can join as many societies as you like – most usually charge around £3 per year for membership, though some are free and several are exempt from the Societies Federation fee.

Online Societies Directory

Our societies cover everything from Academia, Activities & Games, Campaigning, Culture, Film & Media, Food & Drink, Music Appreciation, Performance, Religion & Belief, and Welfare, Charity & Action. Check out the full range online at warwicksu.com/societies - or download the SU App - then come along to the Societies Fair, held on Wednesday and Thursday of Week 1!

Download the SU App to find out more about all of our Societies, and come along to the Societies Fair in the Sports Centre on Wednesday and Thursday of Week 1.

Contact me: societies@warwicksu.com
For more information, visit warwicksu.com/societies

"Societies will provide some of the most memorable experiences you’ll have during your time here. I oversee the 250+ societies here at Warwick and all of the amazing work they do - if you need help setting up an event, some advice on the running of your society or even want to start a new one, come and see me during the year!"

Niall Johnson
Societies Officer

Niall Johnson
Societies Officer

Societies
Discover what you love

Our student-run Societies bring together over 10,000 students who are interested in or care about a certain issue or activity, and they are a fantastic way to make friends, pursue existing interests or try something new. For many students, societies are at the very heart of the university experience – who knows, they may end up changing your life!
Sport at Warwick

Team Warwick

All of our 65+ Sports Clubs are student-run and form a massive part of our sporting community, with over 5000 individual members joining each year! The University of Warwick also offers a huge variety of sporting activities with exceptional facilities all over campus.

“Sport has had a huge impact on my time as a student, and my job as Sports Officer is to look after our 65 student-run clubs here at Warwick. There really is something for everyone, so make sure you check out what’s on offer and get stuck in – with social, charity endeavours and tours, it’s about much more than just playing and competing!”

Contact me: sports@warwicksu.com
For more information, visit warwicksu.com/sport

Stay active

Whether you’re a seasoned pro or a complete beginner, there’s bound to be a Sports Club here at Warwick for you! Alternatively, there are plenty of opportunities for a casual get-together with friends, while the Active programme also runs a variety of classes and sessions throughout the year: warwick.ac.uk/services/sport/active/

Represent your university

Many of our clubs compete every Wednesday afternoon during term-time in the British Universities and Colleges Sport (BUCS) leagues. In Term 2, Warwick’s Sports Clubs also square off against our arch-rivals from Coventry University in the annual Varity tournament – to date, #TeamWarwick remain undefeated!

Make friends

In addition to weekly fixtures, training sessions, socials and big calendar events, many Sports Clubs will put on their own trips and international tours. These are open to all members and differ each year!

In Term 3, the SU also celebrates our students’ annual sporting achievements at the prestigious Sports Ball.

Remember, whether you’re competing in BUCS and Varity or just joining to meet new people, everyone is part of Team Warwick!

Reshaping Sport

Our #ReshapingSport campaign is designed to allow anyone at Warwick to reshape sport to best suit them, and to make sport inclusive, diverse and accessible for people of all abilities and identities. We will be collaborating with existing efforts on campus from Active teams, societies, clubs and liberation groups that are encouraging students to get involved in any form of sport that is not necessarily competitive. Gardening, walking, running, football, tiddlywinks... anything can be reshaped to be the type of sport that best fits you!

Sports Club Directory

A full rundown of all our Sports Clubs can be found online at warwicksu.com/sports – or by downloading the SU App – while you’ll be able to meet club-members in person at the Sports Fair on Tuesday Week 1 of the Autumn Term.

Membership Fees

Our student-run Sports Clubs are supported and administered by SU Student Activities staff. Once you’ve joined Warwick Sport to gain access to campus facilities (see overleaf for more info), there’s a one-off charge of £32 per year for the SU’s Sports Federation, which helps provide all the training, insurance and subsidies required to support our incredible Club Execs. After joining the Sports Federation, you’re then able to sign up for as many clubs as you like for just £6 each per year.

Don’t forget to visit the Sports Fair in the Sports Centre on Tuesday of Week 1, Term 1 and get involved in our Sports Day with lots of FREE taster sessions on Saturday of Week 2, Term 1!
**Warwick Sport**

Get involved...

Our University Sports Centre houses a gym, a 25-metre six-lane swimming pool, squash courts, a functional training studio and an aerobics studio. We also have outdoor all-weather floodlit pitches, a ‘Mondo’ 400-metre all-weather running track and three indoor sports halls. 40 ropelines and a specialist bouldering room are waiting to be tackled if you take on the challenge of our Bear Rock climbing wall, or you can let your racket do the talking in our state-of-the-art, purpose-built Tennis Centre on campus!

---

**65 sports clubs**

Run by the SU, these include sports such as football, netball and rowing as well as more unusual activities such as gliding and motorsports.

---

**Short courses**

Work on your favourite activity or try something new, whether that’s archery, badminton, swimming, or a bootcamp-style workout.

---

**Lifestyle gym**

Improve your fitness, health and wellbeing and enjoy classes ranging from high-energy cardio workouts and strength-training to yoga.

---

**Mental Health and Wellbeing programme**

Free for all students and staff members, we run weekly stress-buster and yoga for study sessions to help you master your academic year with ease.

---

**Events**

Throughout the year you can party with UV Zumba and Rollerdisco, or let off some steam on our Halloween Zombie Run.

---

**Free activities**

With walking, running and cycling routes across campus, you can blow the cobwebs away and enjoy a breath of fresh air.

---

**Rock Up & Play**

No need to book or commit long term, just turn up and join in with activities including dodgeball, athletics and cricket.

---

**Warwick Sport Membership**

Every student on campus automatically becomes a Bronze Member of Warwick Sport so that you can explore the vast number of opportunities to be active every day. You can also buy Silver, Gold and Platinum membership, each designed to give you the best possible value for money depending on what sort of activity you want to do.

For more information visit: www2.warwick.ac.uk/services/sport/

---

**Gadget insurance. Built for you.**

We all love our phones, tablets, and our consoles. With our flexible and affordable gadget insurance you can ensure that you protect what is important to you.

With our claims process replacing your gadget within one working day of your claim being approved, even if the worst should happen, you’ll never be too long without the things that matter to you most.

Build your cover at endsleigh.co.uk/university

Endsleigh Insurance Services Limited is authorised and regulated by the Financial Conduct Authority. This can be checked on the Financial Services Register by visiting their website at https://register.fca.org.uk/. Company No. 856706 registered in England at Shurdington Road, Cheltenham Spa, Gloucestershire GL51 4UE.
Get involved

The student movement has historically been at the forefront of pushing for progressive social and political change, and Warwick students are no exception to this. There is a rich and extensive history of Warwick students standing up for justice, equality and rights - check out the timeline below to find out more!

A History of Activism at Warwick University

October 4
First demonstration on campus against the presence of the U.S. Ambassador, who was opening Benefactors accommodation. A small number of students picket the Ambassador. Protests against the Vietnam War were reaching their peak in the UK at the time.

November 4
The Files Affair begins. Students occupy the administrative building in an effort to pressure University management into granting the Students’ Union a building under student-academic control. During the occupation, files are found detailing political surveillance of students and staff, in collaboration with big industrialists on the University’s Council. National uproar follows, and occupations are sparked at several other universities. The first Vice Chancellor is almost forced to stand down, and a raft of reforms to Warwick’s governance follow.

February 11
The SU is fined £30,000 after a riotous demonstration against the campus visit of a Thatcherite government minister, Sir Keith Joseph. A Fight the Fine campaign is launched by boycotting all University outlets on campus, succeeding in forcing Warwick to reverse the fine.

April
A three-week occupation of Senate House begins to support a rent strike which was in its fourth month, in an attempt to limit heavy rent increases. Warwick takes out a High Court Injunction and brings 500 police to campus to evict the occupation, and the rents go up.

March
Several hundred students occupy over the introduction of tuition fees by the Blair government.

June 12
Several hundred students rally by the Koan in opposition to the activities of a fascist student who led the neo-Nazi group National Action. The anti-fascist response was led by Warwick Anti-Racism Society. The student left Warwick shortly after this demonstration.

November
The SU is fined £30,000 after a riotous demonstration against the campus visit of a Thatcherite government minister, Sir Keith Joseph. A Fight the Fine campaign is launched by boycotting all University outlets on campus, succeeding in forcing Warwick to reverse the fine.

March
A small sit-in at Senate House is violently broken up by police as students are sprayed in the face with CS gas and threatened with Tasers. A one-thousand-strong demonstration the next day leads to an eight day occupation of the Rootes Building and a year-long political conflict with management.

July 8
Fossil Free Warwick succeeds in getting Warwick to commit to divest its holdings in fossil fuel companies after a two year campaign focused on exposing the fossil fuel industry’s role in perpetuating climate change.

If you are interested in getting involved in a campaign or even starting your own, we are here to support you, so get in touch via campaigns@warwicksu.com

Recent campaigns include:

• FIX THE FEES: A SU campaign for greater transparency and fairness on tuition fees paid by international students.

• NSS BOYCOTT: A national campaign which Warwick students voted to take part in, aimed at opposing tuition fee rises and the marketisation of universities.

• FOSSIL FREE: A grassroots environmental campaign which successfully pushed the University to commit to divesting from fossil fuels.

• I HEART CONSENT: A student-led campaign aimed at kickstarting conversations around sexual consent and the role we all have in creating a safer campus for all.
Support for Disabled Students

The first few weeks at university can prove especially challenging for students with a disability or additional needs. It can sometimes feel like you’re on your own, and it can be difficult to know where to turn. Thankfully, there’s plenty of support available.

Your Disabled Students’ Officer, Melissa Martin

The Disabled Students’ Officer is elected by disabled students to represent them, support them and protect their interests within the University. Melissa can help with accessing societies, sports clubs and volunteering within the Students’ Union, as well as advice on living with a disability at university. She has set up a Facebook group to support Freshers and will be running a number of events during Freshers Fortnight, such as accessible campus tours.

disabledstudents@warwicksu.com
facebook.com/groups/warwickdisabledfreshers2017
twitter.com/melissa_dso

Disability Services

Run by the University to help disabled students with tasks such as organising exam arrangements (e.g. extra time), applications for Disabled Students’ Allowance and arranging screenings for learning differences like dyslexia. The first place to look for help in disability-related matters within the University.

T: 024 7615 0641
disability@warwick.ac.uk

Helping navigate the challenges of student life

We hope you have a fantastic time studying at Warwick – however, questions or problems do crop up from time to time, and we are here to help you out when they do.

“I work closely with the SU’s Advice Centre and Student Support Services to make sure that there’s always help and support available if things go wrong for any reason. I also head up the campaigning side of the SU, so if there’s an issue you’re passionate about or something you want to change, please do get in touch!”

Contact me: welfare@warwicksu.com
For more information, visit warwicksu.com/advice

Students’ Union Advice Centre

Our Advice Centre is independent of the University, and offers a free and confidential service for all students. Whether your worry is big or small, we can help by providing support and signposting on any of the following.

Advice for international students
Complaints and disciplinary proceedings
Funding and finances
Housing Day
Housing and accommodation
Personal wellbeing
University-related problems

There are many myths surrounding off-campus accommodation, which mean that students often feel pressured into signing a contract. In November each year, we hold a Housing Day event where you can come along and get detailed information about your options so that you can make an informed choice.

GUM Clinics

GUM (Genito Urinary Medicine) Clinics take place three times a term within the main SU building. The clinics provide free and confidential sexual health checks for transmitted infections, plus advice on safe sex practices. It’s non-invasive and there’s no need to make an appointment – just turn up on the day!

Ellen Holmes
Welfare & Campaigns

Ellen Holmes
Welfare & Campaigns
Student democracy

Every Students' Union is run directly by its members – any student can get involved, and every student has an equal say. We use democratic processes at the SU to reach decisions on what we campaign on and the services we offer to students.

SU Policy
SU policy is used to lobby external organisations (e.g. the university, the government or local businesses). Policy represents the 'collective voice' of the student body and is used to try and enact change on issues that are important to students.

All Student Meetings & Referenda
Once a term, we hold an All Student Meeting to discuss policy motions submitted for consideration by the student body as a whole. Any student can attend these meetings, raise issues and debate. Following this, the motions are put to a campus-wide vote online in an SU Referendum, and successful motions then become SU policy.

Elections
Twice a year (once in the Autumn Term and once in the Spring Term), the student body elects a series of student representatives to work on their behalf at the Students’ Union. From Faculty Reps and Exec Members to Part-Time Officers and full-time Sabbatical Officers, these positions represent your chance to make a positive impact on student life.

SU Execs
Our elected Exec Committees help to plan services and provide student oversight on all the main areas of the SU’s operations. Get involved by running for a position in this year’s Autumn Elections!

Democracy & Development Officer Michael Kynaston

“I oversee all areas of the SU’s commercial operations to make sure that our services provide the best value-for-money possible to students, as well as ensuring that all our democratic processes are transparent and accessible. Make sure you have your say in how your Union is run by voting in Referenda and Officer Elections – decisions are made by those who show up!”

Contact me: ddo@warwicksu.com
For more information, visit warwicksu.com/democracy

Working for you

Part-Time Officers are current students who are elected to represent the interests of minority groups and individual faculties on campus – please get in touch with them to raise any issues about student life or your degree course.

Our values:
Student Focused – We put students at the heart of everything we do.
Democratic – We are representative, ethical, transparent and accountable.
Welcoming – We are supportive, helpful, inclusive and value diversity.
Enriching – We nurture students’ aspirations and help them develop.
Independent – We are the independent voice of Warwick students.
