BY LAW 12 APPENDIX 1
Warwick Students’ Union Members Code of Conduct

The following code of conduct has been established by the Union’s Board of Trustees in accordance with Article 13 and ratified by the Student Council in accordance with Article 59. It sets out the minimum standards of conduct and behaviour expected of all Members, (including all Elected Officers) of associate members and of the Union’s clubs and societies.

The Union’s Board of Trustees has its own Code of Conduct reflecting the specific requirements and responsibilities of Trustees. This is included as Appendix 2 of By-Law 12.

This Code of Conduct has been written with the aim of ensuring that all Members have the best possible experience whilst studying at the University of Warwick.

This Code helps us to facilitate an environment where all users of the Union’s services, visitors, any member of the University community or any member of the communities in which our Members live are treated with dignity, fairness and respect.

Applicability:

The Code of Conduct applies to the Union’s Members, as defined in Article 10 of the Union’s Articles of Association. This Code of Conduct also applies to associate members (as defined in Article 12 of the Union’s Articles of Association). For the purposes of By-Law 12 and this Code of Conduct, any reference to a “Member” shall include a Member and an associate member. This Code also applies to the Union’s clubs and societies.

The Code of Conduct does not apply to the conduct of the Union’s staff as there are specific employment policies which fulfil this role negotiated and agreed through formal information and consultation processes.

The disciplinary procedure to be followed if a Member is alleged to be in breach of this Code is set out in By Law 12 and Appendix 3. The sanctions for breach of the Code by a Member or a club or society are set out in By-Law 12 Appendix 3. Any decision to terminate a Member’s membership shall be taken in accordance with the procedure set out in Appendix 3.

General Requirements:

All Members will, particularly when acting in any Union capacity (e.g. as an officer, Councillor, Executive Committee member, SSLC representative, society, club or student group member):

**Specific Requirements:**

• All Members of the Union are responsible for acquainting themselves with Union Policies, Union Regulations and Procedures. Ignorance of Union policies and procedures will not be accepted as a defence.

• A member must produce their Warwick Card to any Union staff member upon request. This applies when the Member is occupying Union premises, utilising Union services or facilities, or taking part in activities under the auspices of the Union. Inability or refusal to produce a Warwick Card may lead to immediate exclusion from the premises, licensing area, services, facilities or activity.

• Any member must produce their Warwick Card at any point when asked to do so by a member of Union staff.

• Any member must leave the Venue (or any licensed premises) immediately if asked to do so by a member of Union staff.
• The Union reserves the right to eject any non-member from the Venue (or any licensed premises). In this case the non-member must show the form of ID which they used to gain access to the building. The Disciplinary Procedure may then be invoked against the member who signed them in. This Member is deemed to have accepted responsibility for the conduct of that person.

• It is the responsibility of the Licensee to decide what offence has occurred.

• The Licensee has duties under the Licensing Act 1964. No Officer, Constituent Group or Union Democratic body can therefore overturn a disciplinary decision made by the Licensee.
