

Booking Spaces on Campus

Due to the ever-changing situation, the availability and way you book rooms is a constantly changing conundrum. We have tried to compile a helpful guide, which will be kept up to date, to help you navigate what options you have to booking spaces on campus.

Whilst the options are currently very limited, we are working hard with partners across the University to try to open up space when it is safe to do so.

There are several spaces on campus that aren't listed below, but we are working to determine their availability as soon as possible.

Music Centre

The Music Centre is unfortunately closed to Term 2. The situation will be monitored and further updated provided as soon as it is available.

Central Timetabling

The University have temporarily suspended the booking of rooms of campus. They are of course monitoring the situation and will re-open this as soon as it is safe to do so.
